

2014 AIAS CONFERENCE PROGRAM

University of Tasmania
School of Medicine
Medical Science Precinct
Hobart Tasmania

Sponsored by

UNIVERSITY of
TASMANIA

AIAS

Australasian Institute of Anatomical Sciences

Workshop 'To Pot or Not to Pot'

TIME		LOCATION	
1300	Registration	MSP1 - Foyer	
1330	Workshop Session 1 Presentation 'To Pot or Not To Pot'	MSP1 - Level 2 Room 205	Deb Orchard, Geoff Phillips
1415	Afternoon Tea	MSP1 – Level 2 Room 202	
1445	Workshop Session 2 - Hands on practical session – Limited numbers	MSP1 – Level 2 Dry Lab 211	Deb, Geoff, Mandhi, Justin
1630	Workshop Conclusion		
1800	Welcome Drinks & Nibbles	Hobart Function & Conference Centre Gretel Room Elizabeth Street Pier	Drinks & canapés from 6-8pm

Morning Program

TIME	TOPIC	LOCATION	SPEAKER
0845	Registration	MSP1 - Foyer	
0915	Housekeeping	MSP1 – LT105	Mandhi, Deb, Tracey
0925	Introduction & Welcome by Head of Medicine	MSP1 – LT105	Professor Justin Walls – University of Tasmania
0940	A Devil of a Cancer	MSP1 – LT105	Professor Greg Woods – DFTD Research Group (<i>University of Tasmania</i>)
1010	The Function of Anterolateral Ligament and Visualisation Using Ultrasonography	MSP1 – LT105	Cynthia Tang (<i>University of Sydney</i>)
1030	Morning Tea (30 min)	MSP - Hub	
1100	Mortuary Management of Cardiac Implantable Electronic Devices	MSP1 – LT105	Miriam Norman (<i>RHH Cardiology Pacemaker Centre</i>)
1120	Demonstrating bone ossification in preserved foetus specimen using differential staining (Teresita Aceret, Scott Le Rossignol, Ari Hoogland, Peter Conway-Morrison, Katharine Terry)	MSP1 – LT105	Scott Le Rossignol (<i>James Cook University</i>)
1140	Common Problems of Museum potting and how to fix them	MSP1 – LT105	Joe Hong (<i>Murdoch University</i>)
1200	Group Photo (15min)	Promenade	
1215	Lunch (1hr)	MSP1 - Hub	

Afternoon Program

TIME	TOPIC	LOCATION	SPEAKER
1315	Challenges of Teaching Undergraduate Anatomical Pathology Using A Problem Based Learning Curriculum In a Developing Country: Experiences from the School of Medicine & Health Sciences.	MSP1 – LT105	Dr Rodney Itaki <i>(University of Papua New Guinea)</i>
1345	Mission Accomplished - Newcastle's New Anatomy Facility	MSP1 – LT105	Douglas Gillespie <i>(University of Newcastle)</i> & Ryszard Knopf <i>(Scientific Interiors)</i>
1415	The Art of Dying	MSP1 – LT105	Dr Sorrel Standish-White <i>(Curator R.A Rodda Museum of Pathology)</i>
1430	Afternoon Tea (30min)	MSP1 - Hub	
1500	Tour – MSP Teaching Labs, Embalming & Dissection Lab, Pathology Museum, Simulation Lab.	Meet in MSP Hub	Mandhi, Deb, Justin, Angela, Geoff
1630	Conclusion		
1730	Bus Transfer to Dinner Venue	Meet in MSP Hub	Bus to depart at 6.00
1830 - 1930	Pre-Dinner Drinks & Canapés	Cascade Visitor Centre	
1930 – 2300	Conference Dinner – Degraes Room	Cascade Visitor Centre	Bus will leave venue at 11.15pm

Morning Program

TIME	TOPIC	LOCATION	SPEAKER
0845	Registration & Tea/Coffee	MSP1 - Hub	
0915	Tagati (Bewitched)	MSP1 – LT105	Emeritus Professor John Goldsmid
0945	Dissection Tables To Mirrors: The Use of Body Painting to Enhance Gross Anatomy Learning	MSP1 – LT105	Dr Claudia Diaz (<i>RMIT</i>) & Yissu Martinez (<i>JCU</i>)
1005	Dissection and peer teaching in an undergraduate MBBS curriculum: Student opinions and learning outcomes	MSP1 – LT105	Dr Derek Choi-Lundberg (<i>University of Tasmania</i>)
1025	Morning Tea (30min)	MSP1 - Hub	
1055	From the dissection lab to clinical teaching – Musculoskeletal teaching in the MBBS	MSP1 – LT105	William Cuellar (<i>University of Tasmania</i>)
1115	Improving the educational value of foetal museum specimens (Teresita Aceret, Peter Morrison-Conway, Scott Le Rossignol, Madeleine de Boer, Katharine Terry)	MSP1 – LT105	Madeleine De Boer (<i>James Cook University</i>)
1135	AGM	MSP1 – LT105	Chaired By Dr Marcus Robinson
1235	Lunch (1hr)	MSP1 - Hub	

Afternoon Program

TIME	TOPIC	LOCATION	SPEAKER
1335	Teddy Bear Hospital	MSP1 – LT105	Dr Judi Errey (<i>University of Tasmania</i>)
1355	Application of suture techniques and ultrasonography in the preparation and maintenance of specimens for anatomy teaching	MSP1 – LT105	Dr Claudio Corvalan Diaz (<i>University of Sydney</i>)
1415	Teaching Emergency abdominal procedures with fresh cadavers	MSP1 – LT105	Professor Richard Turner (<i>Associate Head Hobart Clinical School</i>)
1435	Student engagement with online anatomy and histology resources	MSP1 – LT105	Dr Jamie Chapman (<i>University of Tasmania</i>)
1455	Prize Winners	MSP1 – LT105	
1530	Farewell Function	MSP Promenade	Drinks and finger food
