### 3. *Credit card via website:*

If you have paid through the website previously, please follow the instructions for those with an existing subscription (a)

If you have paid by direct debit in the past and now wish to pay by credit card, you will need to activate your website subscription for the first time. Please follow the second set of instructions.

#### **a) *For those who have paid through the website previously and have an existing subscription:***

1. Log in to the website using username and password
2. On dashboard, click Orders:

The screenshot shows the AIAS website's 'My Account' page. The top navigation bar includes links for Home, About, Conference, Membership, Members Only, Contact, and Log Out. The left sidebar contains a menu with the following items: Dashboard, Orders (circled in red), My Membership, Subscriptions, Addresses, Account details, and Logout. The main content area displays the 'Dashboard' title, a greeting 'Hello Susie Kerby (not Susie Kerby? Log out)', and a brief description: 'From your account dashboard you can view your recent orders, manage your shipping and billing addresses, and edit your password and account details.'

3. Click on 'View' next to the original membership payment:

## AIAS Full Membership

\$75.00 for 1 year

People who are directly involved in the anatomical sciences education field. This includes those whose routine activities directly involve them in the administration, organisation, preparation, storage, preservation, teaching and management of human and animal material used in the teaching of anatomy, its associated fields of study and research. Membership is also open to people who are, in any professional way, associated with Members of AIAS and are dedicated to the support or delivery of anatomical knowledge, including Laboratory Managers, Technicians, Administrators, Museum Curators/Preparators, Embalmers and Specimen Prosectors, Academic, Technical and administrative support staff. Membership is also open to those who, in the opinion of the AIAS Committee, can either, directly or indirectly, enhance or broaden the knowledge of, or research into AIAS's areas of interest, including those who have benefited from such activities.
